

Bid Instructions for 6150 N. Arlington, San Pablo, CA

The Diablo Fire Safe Council invites sealed bids for 6150 N. Arlington Fuel Reduction Project, designed to reduce wildland fire fuels on private property. **Bids will be received via fax 510-217-2293, until 6:00 p.m. local time, on October 25, 2006, at which time they will be reviewed.**

The Diablo County Fire Safe Council encourages the submission of bids and sub-bids by minority-owned and women-owned business enterprises. Each bid shall be made in accordance with these Contract Documents. The Contractor shall possess the appropriate insurance and California license or a combination of classes required by the categories and types of work included in this contract at the time the contract is awarded.

The Diablo Fire Safe Council reserves the right to reject any and all bids, to waive any non-material informality in any bid and to determine which bid, in the judgment of the Diablo Fire Safe Council, is the best bid and to make that award which is in the best interest of the Diablo Fire Safe Council.

Vendors: You are welcome to drive by the property. The pictures that follow are included as a guide. Prior to submitting your bid, please contact the project manager: Maria Morales at 510-435-1405.

Work description:

- Weedwhip areas that contain standing dried grasses.
- Remove all ivy that is attached to tree trunks.
- Remove all dead branches within 10 feet of roof structure.
- Remove all debris from roof and rain gutters.
- Limb up to 10' (from driveway level) on all branches on trees along driveway and front of the home.
- Remove all coyote brush.
- Remove 50% of the juniper.
- Remove all minor branches on the three eucalyptus, clear up to 10' level to the street.
- Leave all oaks.

Chip all on site and leave chips around edge of structure to discourage Spring regrowth.
