**2020 – 2021 Defensible Space
Fuel Reduction Project Funding**

Request to Participate

The Diablo Fires Safe Council (DFSC) is sponsoring defensible space fuel reduction projects for 2020 – 2021. Cost-share assistance of up to \$5,000 per project is available to groups or groups of individuals to hire contractors to reduce fuel loads and create defensible space.

DFSC may assist Alameda County or Contra Costa County property owners with vegetation management projects that will lead to compliance with their local fire department’s defensible space requirements in areas designated as Priority Hazard Zones.

Contractors will be hired directly by property owners with DFSC funds augmenting private property owner contributions. Diablo Fire Safe Council will maintain a list of Contractors to aid the property owners with selection and scoping of project work.

Contractors and homeowners will not contract directly with the Diablo Fire Safe Council. DFSC will pay directly to the contractors a portion of project costs up to \$5,000 per project.
