COLOR ME

OUR ROLE is to help residents and agencies in Alameda and Contra Costa Counties combine their resources to prepare for the next wildfire and to reduce the potential damage.

PLANT MAINTENANCE AND REMOVAL MINI-GUIDE

DON'T give wildfire a chance by letting your garden get out of hand! Follow these “Defensible Space” tips to keep your home Fire Safe:

- Prune regularly
- Remove dead branches and leaves
- Keep plants from touching your home and roof

Your garden can be beautiful and *Fire Safe!* For more tips visit our website:
